Snacks for Every Occasion

ABOUT US

Smart Foods was started in 2005 with a mission to provide healthy, tasty and hygienic snacks to our customers. It was our ambition to be a one-stop destination for all namkeen and snack requirements of our customers.

Within the span of a few years we have grown to be a very popular namkeen brand. Our esteemed patrons love the unique taste, freshness, high quality flavors, convenient packaging and easy availability of our products.

Traditional Indian namkeen is our forte and we offer lip-smacking variants like mixture, Khattamitha, Ratlami Sev, Aloo Sev, Sing Bhujia, Boondi, Soya Sticks, Soya Chips, Farali Namkeens, Potato Wafers and Fryums.

Potato Wafers and Aloo Sev namkeen are amongst our most popular products and are loved by everyone from kids to their grandfathers.

We buy premium quality raw materials and manufacture our products adhering to best practices in quality control and production processes. We also offer our products at affordable price points making them accessible to a very wide customer base.

MISSION

To bring fun and joy into snacking, make every moment tasty and wholesome.

VISION

To create a strong market presence in the Western and Central markets of India and grow into a national brand.
